Dated 22nd February, 2019

Subject: Decisions of the Monitoring Committee of PSDF for consideration of proposals from PSDF funding

The status of funds under PSDF, commitments and projected requirements for the proposals under examination was reviewed by the Monitoring Committee of PSDF, chaired by Secretary, Ministry of Power during its 14th meeting held on 7th January, 2019.

The decisions of the Monitoring Committee for further examination of the proposals are as below:

1. All the proposal received upto date of the meeting (i.e. 7.1.2019) shall be examined and considered for funding.
2. From 08.01.2019 onwards, for one year, the proposals under following categories only shall be considered:
 - i. R&U of protections systems at 220 kV and above level
 - ii. Reliable communication using OPGW by the State utilities at 132 kV and above level
 - iii. Implementation of SAMAST
 - iv. Implementation of ADMS
 - v. Proposals for load forecasting, wind and solar generation forecasting
 - vi. Capacity building and technical studies
 - vii. Development of web based protection data base.
3. Any proposal other than the above listed categories in point no. (2) shall not be considered for the period of one year from 07.01.2019.
4. In case any Utility has submitted a similar proposal earlier under the above listed categories, another proposal of similar nature shall not be considered during this period.
5. Proposals from Distribution Utilities shall not be considered for one year.
6. All the proposals not meeting the above criteria shall be returned by the Nodal Agency.

The Monitoring Committee shall review the above provisions after one year.
